

RENTAL INSURANCE

THE STATS

- 93% OF AUSTRALIAN HOME OWNERS HAVE HOME INSURANCE
- WHEREAS ONLY A SHOCKING 26% OF RENTAL HOUSEHOLDS ARE COVERED
- THAT'S OVER 2 MILLION HOMES WITH UNINSURED CONTENT

1 IT'S CHEAP

- TO COVER POSSESSIONS OF AROUND \$20,000 IN VALUE IS ROUGHLY \$10 A WEEK

2 IT COVERS YOUR BELONGINGS

- ALTHOUGH YOU MIGHT THINK IT'S NOT YOUR HOME SO IT'S NOT YOUR PROBLEM IF IT BURNS DOWN, CONSIDER YOUR CONTENTS. THAT'S YOU LOSING YOUR TV, LAPTOP FURNITURE, CLOTHES, THE LIST GOES ON. CAN YOU AFFORD TO REPLACE THESE IF THEY'RE GONE?

3 IT'S NOT JUST ABOUT YOUR POSSESSIONS

- IF THE WORST CASE SCENARIO DOES HAPPEN, WHERE DO YOU SLEEP FOR THE NIGHT? RENTAL INSURANCE ALSO COVERS YOUR LIVING COSTS IF THE PROPERTY YOU'RE RENTING BECOMES SUDDENLY UNINHABITABLE WHETHER IT'S NATURAL DISASTERS, URGENT REPAIRS OR PESTS
